## PROGRAMME DETAILS

### DAY 1

#### Family safari by cable car, postbus and boat

The [Goldi Family Safari](#) starts in Beckenried with a cable car ride up to [Klewenalp](#). Once there, we have lunch in a restaurant or bring a picnic along. Then it's an easy 90-minute walk to Stockhütte. After that, we take the gondola cableway to [Emmetten](#). Then by bus to [Seelisberg](#), Treib. A boat brings us back to Beckenried. Using the [SQWISS](#) app (german only), the children can answer entertaining questions about history, flora and fauna.

#### Camping/caravanning

The TCS campsite in Buochs has family-friendly accommodation such as tents, caravans and glamping accommodation. The campsite occupies an enviable location in the midst of a beautiful mountainscape directly by the lake.

## DAY 2

### Be a detective

Today we're following the tracks of Detective Badger on the [detective trail](#) along the lakefront in Buochs. The children have to solve tricky puzzles to find a valuable treasure. The treasure map for the detective trail can be purchased at the TCS campsite in Buochs, at the Restaurant Rigiblick am See or [online](#).

### Water fun

We spend the afternoon by and in Lake Lucerne. The [lakefront in Buochs](#) offers lots in the way of water sports, including canoeing, stand-up paddling, swimming and pedalo riding – plus a large playground. There are many other great swimming places around Lake Lucerne, too. Nearby places include:

[Beckenried, lido](#)  
[Beckenried, Neuseeland](#)  
[Beckenried, Rüteneu](#)

## DAY 3

### Weather Witch Path

From Dallenwil we take the [cable car up to Wirzweli](#). On the Weather Witch Path with barbecue spots the children can learn about the weather and explore the witch world. It takes about two hours to walk (unsuitable for pushchairs). Tip: the lower cable car terminus has a supply of witch bags containing puzzles, spells and lots more.

Weather Witch Path, easy, 1.5 - 2h

### Fun and games

While the parents treat themselves to a cup of coffee, the children can enjoy the extensive [playground](#) next to the upper terminus. The 535 metre summer toboggan run is also here, as are Shetland ponies, goats, rabbits and guinea pigs.
